## AFTERNOON KINDERGARTEN 2016-2017

### REGISTRATION FORM

Afternoon Kindergarten sessions are conducted Monday through Friday from 12:15 to 2:15 pm. Participation in the afternoon program is optional, and children may attend from two to five days per week. Unlike the preschool Extended Day program that allows daily sign-ups, Afternoon Kindergarten requires a monthly commitment with tuition due the first of the month of participation.

To register your child for Afternoon Kindergarten sessions (or to change the number of days currently attending), please complete this registration form and place it in the school mailbox together with a check for the tuition due.
